Contact International Tsunami Information Center
to schedule date/time. E-mail itic.tsunami@noaa.gov

April is Tsunami Awareness Month in Hawai'i

Tsunamis can happen at any time of the day, and with little or no warning. Waves can come ashore in less than 5 minutes or take 15 hours to arrive in Hawai'i. Make sure you and your family are prepared. Visit [Get Tsunami Ready Now!](https://www.gettsunamireadynow.org)
