9. Lodging Options

We recommend Waddington Lofts, as they are located just one block from SHOA and are built on historical buildings dated back to 1910, recently remodeled and declared as historical conservation building. Other houses with similar characteristics can be found nearby.

Lofts are ample and include a fully equipped kitchen, lounge area, WiFi and parking spaces. One of them also has a direct view over the bay from a second floor.

Daily rates per night range from \$15000 CLP (24 UD) for a shared bedroom or , \$20000 CLP (31 USD) single room (no view over the bay) and \$25000 CLP (40 USD) single room with balcony with view over the bay. These rates could have a rebate if you reserve for the whole duration of the course (11 nights). These are good values considering price-quality ratio.
