Objectives

- CARIBE WAVE 23 summary
- Open discussion of CARIBE WAVE 23 exercise
- Post-exercise questionnaire
- CW Photo and Video sharing

CARIBE WAVE 23 Summary

- CARIBE WAVE 23 was held on March 23, 2023. Over 420,000 people registered their participation in the TsunamiZone website.
- At 1400 UTC, the PTWC and CATAAC issued Dummy Message
- PTWC issued simulated tsunami threat products for both scenarios as of 14:07
- CATAAC issued simulated threat products for Honduras scenario as of 14:03
- Social media platforms were a primary source for communicating tsunami awareness, reaching over 1.8 million people worldwide.

Pictures from top to bottom, left to right, Costa Rica, Venezuela, Puerto Rico, Mexico, PTWC, Aruba, Colombia and Guadeloupe.

Open Discussion

What is your overall impression of
CARIBE WAVE 2023?

Open Discussion

Any novel experiences or unique successes that you wish to share?

Open Discussion

What were the lessons learned during the exercise?

Open Discussion

What are the gaps and follow up actions for PTWC, CTIC, ITIC-CAR, IOC Tsunami Programme, or/and Tsunami Zone from the exercise?

Open Discussion

Is there any scenario or date that you would like to recommend for CARIBE WAVE 2024?

Post-Exercise Evaluation Form

- Each CARIBE-EWS member state and territory is requested to provide feedback on the exercise to assist the development of subsequent exercises and help the PTWC, NTWCs, TWFPs and response agencies document and address strengths and weaknesses.
- To facilitate feedback, the online evaluation survey can be accessed at the following link:

<https://www.surveymonkey.com/r/CaribeWave23>

The deadline for completing the evaluation is **13 April 2023**.

- This questionnaire contains 45 questions, 14 pages, and should take no more than 25 minutes.
- Only one questionnaire should be completed for each MS/Territory.

CW Videos/Photos Sharing

Ways to share your exercise pictures/videos:

1. Tsunami Zone Website

(<https://www.tsunamizone.org/share/>)

- Only accepts website or/and social media links

2. Post-Exercise Questionnaire (available after the exercise).

- Accepts website or/and social media links

3. Email

- To christa.vonh@noaa.gov and
stephanie.soto@noaa.gov

CARIBE WAVE Certificates

The website Tsunami Zone (tsunamizone.org), issues participation certificates for every person registered for the CARIBE WAVE 23 exercise.

The certificates are available in English, Spanish, and French.

To access these certificates:

- Register or login to the tsunamizone.org account
- Once logged in, the site will take you to your profile page where the certificates will be available.

Certificates of Participation

Form Option (type names): FIRST, DOWNLOAD by right-clicking the link (Mac: control-click). This option has a box in which you can type your name and/or your organization's name, or make certificates for your participants (the box in the center will not be seen when printed). Once downloaded, open the file with [Adobe Reader](#) (free, click link to download if you need it) or Preview (if on a Mac) in order to edit the text and then print.

CARIBE WAVE 23 (March 23) [English](#) | [Spanish](#)

Other 2023 Tsunami Activities: [English](#) | [Spanish](#) | [French](#)

Line Option (write names): This option can be printed for you or others to handwrite names. This may be ideal for large groups of people or for children who want to write their name on their certificate.
