

PacWave22-PICT Regional Exercise registration form - on 9th November 2022

To facilitate PacWave22-PICT Regional Exercise coordination and execution, Member States are kindly requested to answer this registration form before the 7th October 2022.

This regional exercise objectives are :

1. Test the Hunga Tonga Hunga Ha'apai (HTHH) PTWC Interim Procedures and PTWS Products ([IOC Circular Letter 2902](#)),
2. Test regional communication and cooperation between PICT Member States, and the value of information sharing in facilitating national tsunami alert decision-making.

The PacWave22-PICT will consist of a **2 hours real-time table top exercise starting at 2300 UTC on 9 November 2022** ([Access to your timezone](#)). The exercise scenario will replay the HTHH tsunami sequence that occurred on 15th January 2022 with PTWC-simulated products. During the exercise, PICT national stakeholders (National Tsunami Warning Centres and National Disaster Management Offices) will share event information through multiple informal communications modes, including by WhatsApp, mailing list, and/or HF Radio.

Interested Member States to participate to this exercise will be requested to provide contact details and other relevant information through this online form to setup those informal communication modes.

More information about this exercise (timeline and guidance) will be share on the dedicated [PacWave22-PICT regional exercise web page](#).

A webinar/workshop will be organized one week before the exercise **on the 2nd November at 23:00 UTC** in order to present the exercise guideline and answer related questions.

Note: Only ONE (1) on-line evaluation form is to be completed per member state. It is recommended that the PacWave22 National Contact, Tsunami National Contact (TNC) and Tsunami Warning Focal Point (TWFP) should compile responses before submitting one common registration form.

Please provide below the email address of the person in charge to fill this form, this address will be used to share all guidelines and future meeting to finalize the regional exercise setup :
